Hello PSE Members,

Each year the Committee reviews the renewal rates for our health insurance plans and makes recommendations based off of the results. This is an unusual year, as there is a lot of change going on both with the Group Health/Kaiser change and with the WEA going out to bid for new carriers. As such, the Committee has had a lot to consider, over many meetings, and we now have options to present for your vote.

Please review the memo first, then the PowerPoint regarding the comparison, rates and plan options for the 2107-18 plan year. We have provided a separate document with just the plan rates, so you don't have to print out the entire presentation. The BrainShark video is the same PowerPoint presentation with additional voice-over explanation.

Note: The rate summaries can be difficult to understand, but there will be a Q&A opportunity at the 6/22 meeting. The BrainShark video also provides extra detail and explanation for you. We did want to make sure and get materials to you in advance so you have a chance to look them over and formulate any questions.

The Plan Choices:

- [Kaiser Permanente](#) (Current Carrier)
- Aetna/United Healthcare ([WEA Select Plans](#))

Meeting and Vote:

**** Because there has been a lot of interest in **PEBB**, there will also be a short presentation regarding these plans on 6/22. At this time, we are not voting on these plans for the 17-18 year. However, we do want to present the information, with the possibility of providing this as an option in the future, if there is enough interest.*
