Snohomish County PUD demonstration to increase awareness for school staff during inclement weather

ARLINGTON- Snohomish County PUD will give a presentation to Arlington Public Schools' Maintenance, Grounds and Transportation staff on the hazards of electricity and downed power lines during periods of inclement weather.

- What: Snohomish County PUD electricity demonstration
- Who: Arlington Public Schools' Maintenance, Grounds and Transportation staff and City of Arlington Maintenance and Operations staff
- Where: Arlington High School, 18821 Crown Ridge Blvd., Arlington, WA
- When: Wednesday, Oct. 16 at 1 p.m. and 2:15 p.m.
- Details: As winter weather approaches, it's important for school bus drivers as well as grounds and maintenance staff to understand the hazards of electricity and downed power lines. This training is part of the district's professional development program for Maintenance, Grounds and Transportation staff.
- Visuals: Snohomish County PUD will be giving a demonstration of the power of electricity using their High Voltage Demonstration Trailer. See example here:
