## Student Assessment Result Comparisons

## Washington State Report Card

The Washington State Report Card provides school data at the state, school district and school building level. The report card includes information like assessment results, teacher qualifications and other information. View the report card at [washingtonstatereport-card.ospi.k12.wa.us](http://washingtonstatereport-card.ospi.k12.wa.us). You can also visit your child's school if you don't have access to a computer.

Pacific Islander ..... 0.2%  
White ..... 77.7%  
Two or more races ..... 10.0%

## Facility Use

Presidents Elementary was project number three of a four-part bond voters approved in March 2000. The building is designed to accommodate 650 students, grades kindergarten through fifth-grade. The school is located in the "Old Town" zone of Arlington, which preserves the historic quality of the traditional town center. The building design takes this intent into account, respecting the historic Roosevelt Building and other surrounds. You are invited to become an active part of our school.

A summary of the district's 2018-19 Family and Community Survey can be seen here:

<https://www.asd.wednet.edu/communications/surveys>

## School Improvement Plan

Presidents Elementary houses more than 580 P-5 students, including our district's Developmental Pre-School and Special Education ASSIST program for students with Autism.

All certificated teachers are in alignment with Arlington Public School's districtwide School Improvement Plan for mathematics. Teachers are implementing rich mathematical tasks into their lessons and working to modify the current curriculum in an effort to make it engaging and applicable to their everyday lives and the world around them.

Our second goal centers around improving school culture by providing social emotional and sensory supports for students while continuing to foster leadership opportunities. We have implemented a Social Skillstreaming curriculum for identified students in an effort to increase their ability to self-regulate and interact with others in a prosocial manner.
