Arlington Public Schools provides programs to keep students engaged in learning this summer

ARLINGTON- Arlington Public Schools is offering two summer learning opportunities for students at no cost to families. The Mathmobile will be running again this year and will be staffed with four teachers who will provide play-based math instruction to participants. While the instruction is geared toward elementary students, preschoolers and middle school students are also encouraged to participate.

The Mathmobile will run on Mondays from June 28 to Aug. 9 at these times and locations.
