

Quick Facts

ARLINGTON PUBLIC SCHOOLS

EDUCATE • PREPARE • INSPIRE

Arlington Public Schools (APS) is the ninth largest of 15 school districts in Snohomish County. APS includes the city of Arlington, a section of Smokey Point and several unincorporated communities. The total population within the district's boundaries is approximately 30,062 as of 2013.

APS partners with higher education and vocational institutions like the Advanced Manufacturing Training and Education Center, Sno-Isle Tech Skills Center and Everett Community College to provide students with many career options after high school.
