Please answer the following questions:

1) What is the relationship of this proposed course to currently approved courses and programs?

2) What academic need will this course fulfill?

3) Who is the target audience for this course/program, and how will this improve student success?

4) Estimate the start-up costs, annual costs and source of the funds. How the funds will be used? **If you are requesting new instructional materials, please complete Form 2020F6, Core or Controversial Instructional Materials Proposal. *Attach a professional quote for all materials from the publisher's representative.**

Initial Start-Up Costs

Source of Funds

What will be purchased with start-up funds?

Annual Costs

Source of Funds

What will be purchased with annual funds?

5) Does this proposed course have a technology component? *Yes No

****If yes, the Director of Technology must be consulted and sign off on the proposal prior to going to the IMPC.***

*Please describe how the technology component supports the course.

6) What information in this course might be controversial? Is there a reasonable expectation that approval or implementation will be controversial?

7) If the answer to question 6 is yes, describe the likely controversy and the steps (precautions or modifications) that will be taken to make approval/adoption appropriate.

8) If a parent notification or permission slip will be required for any portion of this course, please attach a copy of the permission form, notification letter and/or opt out form.
