Arlington (February 10, 2015) – Arlington Public Schools is holding the annual Kindergarten Information Night on Thursday, March 12 at 6:00 p.m. at Pioneer Elementary School, 8213 Eaglefield Drive. The Kindergarten Information Night is open to all incoming kindergarten students across the district. A parent session will cover information on:

- The registration process
- Kindergarten readiness skills
- What to expect in the first year of school
- Full-time kindergarten
- Assessment
- Student health information
- The Transitional Bilingual Program

Childcare will be provided during the parent session beginning at 5:45 p.m. Following the session, parents and their children will be able to tour a kindergarten classroom and school bus. This is always a highlight for the children!

Kindergarten registration opens on Monday, March 16, 2014. Parents may go to the office of their neighborhood elementary school to complete a registration packet. To check on which school a student should attend, parents and guardians can contact the Transportation Department at 360-435-3307. The full-time kindergarten option will be available at each elementary again next year on a first-come, first-serve basis. Families living within our district boundaries will be given preference for full-time kindergarten before opening space for students from other districts.
