William Nelson, Principal

Annual School Performance Report– 2015-16

Families and the community are vital to the success of our students. You are invited to become an active part of our school. Your involvement will help children understand how important education is, serve as a role model, teach children that your input is

appreciated, increase your understanding of the school system and help improve and enhance each student's educational experience. If you would like to become involved, please contact our school office.

Facility Use

Our school site consists of 33,800 square feet housing 14 classrooms and 12 offices. The site also houses two ESD educational programs for students throughout Snohomish County. Weston High School is completely wireless for student, staff and community use.

Groups from the community of Arlington and Snohomish County use our facility. Our school hosts Everett Community College's GED, Adult High School Completion and English Language Learner programs. In addition, our school houses Civil Air Patrol, numerous arts and crafts classes, trainings for the Arlington Fire and Police Departments and the Rose Society. Community use is encouraged and may be scheduled by contacting Katherine Rynning at the district office at 360.618.6255.

Washington State Report Card

The Washington State Report Card provides school data at the state, school district and school building level. The report card includes information like assessment results, teacher qualifications and other information. View the report card at reportcard.ospi.k12.wa.us. You can also visit your child's school if you don't have access to a computer.

School Improvement Plan

Weston High School is a diverse school of choice providing innovative learning opportunities that prepares students for college, career and life. Weston focuses on project/problem-based learning (PBL), positive behavior intervention supports (PBIS), contemporary grading practices and multi-tiered systems of support for our students' success. Our focus this year is

on: instructional improvement through STEM and PBL; cultural improvement through PBIS; closing the gap - emphasis on attendance, credit completion, and progress monitoring through a variety of assessment practices; and community and family engagement through our Weston Connections program - a family and community volunteer and mentorship program.
