Gina Zeutenhorst selected as new Executive Director of Financial Services

ARLINGTON- The Arlington Public Schools' (APS) Board of Directors confirmed the selection of Gina Zeutenhorst as the district's new Executive Director of Financial Services during its meeting on March 27. Zeutenhorst replaces current Executive Director of Financial Services, Deb Borgens, who is retiring on June 30.

Zeutenhorst has been the Accounting Manager for Everett Public Schools since 1998. Prior to working in Everett, she was an Assistant State Auditor with the Washington State Auditor's Office. She is a licensed Certified Public Accountant and earned her Bachelor of Arts degree in Accounting from Western Washington University.

"Gina brings years of experience to this position and will continue to strengthen the financial position of the district," said APS Superintendent, Dr. Chrys Sweeting. "Our taxpayers trust us to be good stewards of their investment in our district and we know Gina will do a great job managing this investment."

Zeutenhorst will start her new position on June 1.
