## Facility Use

Pioneer Elementary opened for the 2002-03 school year. This two-story elementary school houses 31 classrooms for use as kindergarten through fifth-grade classes, music, art, technology, special education and remedial programs for both math and reading. The facility also includes a multi-purpose room with a stage for use as a gymnasium, lunchroom and for assemblies and events. Our facility is frequented by multiple community groups, which use our building during weekends and evenings. You are invited to become an active part of our school.

A summary of the district's 2018-19 Family and Community Survey can be seen here:

## School Improvement Plan

Pioneer staff has been continuing our work on Mathematical Mindsets and implementing instructional practices that increase student discourse. We have been engaging in professional development focused on using rich mathematical tasks and deepening student understanding and application of numeracy concepts. Another school improvement focus at Pioneer this year is on supporting students' social/emotional development and needs. Pioneer staff has been working to develop our understanding of trauma informed practices and engaged in professional learning around implementing Love and Logic into our school. This focus continues to support the development of our inclusion model for all students and allow for each student to have the opportunity to reach their full potential.
