White 71.9%
Two or more races 10.6%

Facility Use

Pioneer Elementary opened for the 2002-03 school year. This two-story elementary school houses 31 classrooms for use as kindergarten through fifth-grade classes, music, art, technology, special education and remedial programs for both math and reading. The facility also includes a multi-purpose room with a stage for use as a gymnasium, lunchroom and for assemblies and events. Our facility is frequented by multiple community groups, which use our building during weekends and evenings. You are invited to become an active part of our school.

Student Assessment Result Comparisons

Due to COVID-19 restrictions, students were not able to take state assessments in spring 2020. Therefore, no 2018-19/2019-20 state assessment comparison is available.

School Improvement Plan

Pioneer staff has been continuing our work on Mathematical Mindsets and implementing instructional practices that increase student discourse. We have been engaging in professional development focused on using rich mathematical tasks and deepening student understanding and application of numeracy concepts. Another school improvement focus at Pioneer this year is on supporting students' social/emotional development and needs. Pioneer staff has been working to develop our

understanding of trauma-informed practices and engaged in professional learning around implementing Love and Logic into our school. In support of the development of our inclusion model for all students, our staff has been engaging in professional learning about Universal Design for Learning in order to allow for each student to have the opportunity to reach their full potential.

Arlington Public Schools educates all students, preparing and inspiring them to graduate and seek their full potential as lifelong learners.
