Facility Use

Eagle Creek has the capacity for 37 classrooms, 31 classrooms within the building and six portable classrooms. We have 31 general education classrooms and two classrooms dedicated to students in special education programs. The science classroom has been converted to a general education classroom and the computer lab has been converted to a classroom for special education support. Small group instruction occurs in the common hallways areas. The library, music classroom, gymnasium, and stage are utilized for specialist instruction throughout the day. The gym is also utilized as the cafeteria during the lunch period. A 2020 Capital Levy funded the installation of a secured entryway at Eagle Creek and new flooring throughout the school. You are invited to become an active part of our school.

School Improvement Plan

For the 2023-24 School Year, Eagle Creek Elementary School's school improvement efforts will engage staff in meaningful professional development and action steps to increase collective efficacy in tier one instruction. Staff will specifically focus on the following learning:

- Universal Design for Learning (UDL)
- Graham Fletcher Foundations of Numerical Reasoning (K-2) and Fractions (3-5)
- Science of Reading Instruction

In addition, we will work to improve student attendance from 69% average daily attendance to 89% average daily attendance by continuing to focus on building a positive school culture, implementing student tracking of daily attendance, and engaging families in learning around the importance of consistent attendance.
