## Facility Use

three of a four-part bond voters approved in March 2000. The building is designed to accommodate 650 students, grades kindergarten through fifth-grade. The school is located in the "Old Town" zone of Arlington, which preserves the historic quality of the traditional town center. The building design takes this intent into account, respecting the historic Roosevelt Building and other surrounds. A 2020 Capital Levy funded the installation of a secured entryway at Presidents. You are invited to become an active part of our school.

## School Improvement Plan

For the 2023-24 school year, Presidents Elementary's school improvement efforts will focus on engaging staff in meaningful professional development and action steps to increase collective efficacy in Tier 1 instruction.

- Focus is on lesson planning and engagement, specifically in mathematics.
- Transform instruction into diverse and accessible learning opportunities that embrace student variation using Universal Design for Learning.

Success will be measured by a CAST Guideline Perception Survey.
