School Improvement Plan

Stillaguamish Valley Learning Center (SVLC) is a K-12 school within Arlington Public Schools that operates under the Alternative Learning Experience (ALE) guidelines. SVLC students participate in the Arlington Online Program (AOP) or our SVLC Onsite Program.

At SVLC, our focus for the 2024-25 school year will be for SVLC staff to increase math achievement by integrating UDL into tier-one math instruction. We will work to increase reading proficiency in our K-8 on-site program by implementing bi-weekly structured assessments and providing timely intervention.

SVLC staff, students, and families will increase completed Home Learning turn-in rate. Students, families, and staff will discuss Home Learning progress monthly.
